**ORDER GRANTING PETITIONER'S

11
12 Petitioner Juma Hui has filed a petition requesting that this Court order the United States
13 Department of Homeland Security, Citizenship and Immigration Services, to amend the date of birth
14 listed on petitioner's Certificate of Naturalization. Petitioner has submitted sufficient evidence to
15 demonstrate that her birthdate is improperly listed as February 5, 1941. Her actual birthdate, as shown
16 on her United States Passport, her California driver's license, and her birth certificate from the Republic
17 of Myanmar (Burma), is February 5, 1940. The Court therefore orders the Department of Homeland
18 Security to take all actions necessary to amend the date of birth on petitioner's Certificate of
19 Naturalization to February 5, 1940.
